UFB-1 Anticipated Revenue Summary - All Operating Funds

This summary sheet provides totals in general categories. Revenue must be reported for the proposed Budget from the Current Fund and from each Utility fund in the following categories.

- Surplus Utilized
- Local Revenue
- State Aid (without offsetting appropriations)
- Uniform Construction Code Fees
- Shared Service Agreements
- Additional Revenue offset by Appropriations
- Public & Private Revenue offset by Appropriations (Grants)
- Other Special Items
- Receipts from Delinquent Taxes
- Municipal Tax Revenues
 - Local Purpose Tax
 - Minimum Library Tax
 - Addition to Type I School District Tax

UFB-2 Appropriations Summary & Staffing Totals - All Operating Funds

Appropriations are allocated into summary categories with staffing data provided.

This sheet discloses the number of employees funded in this budget. The layout will simplify reporting by not requiring cross-fund allocations, i.e. Public Works Staff who are partially assigned to a Sewer Utility or a Beach Utility are only reported in a single staff column. This eliminates the need to add parts of an employee allocated by formula. Part-Time is defined as less than 30 hours. Full-Time and Part-Time Employee counts must be provided for each Budget Spending Category.

General Government (FCOA CAFR Code 20) includes Elected Officials, Clerk, Business Administrator, Financial Administration, Technology, Legal and generally municipal office employees not included in other listed budget categories.

Land Use Administration (FCOA CAFR Code 21) includes the Planning Board, Zoning Board of Adjustment, Economic Development and Local Code Enforcement.

Uniform Construction Code Enforcement (FCOA CAFR Code 22) includes the budget for all building sub-code officials.

Insurance - (FCOA CAFR Code 23) Includes Employee Health Benefits, medical, dental, prescription health coverage, other health-related benefits, Liability, Property Casualty, Workers Compensation and any other insuransce costs.

Public Safety (FCOA CAFR Code 25) Includes 911 Communications, Police, Fire, Ambulance/Rescue, Emergency Management and anyother Public Safety Costs.

Public Works (FCOA CAFR Code 26) includes Street and Road Maintenance, Sanitary Sewer Services, Stormwater Management, Solid Waste, Recycling, Vehicle Maintenance and other miscellaneous public works functions.

Health & Human Services (FCOA CAFR Code 27) includes Animal Control, Board of Health and various health, human services and social services programs provided by your municipality for veterans, senior citizens, teens or other groups.

Parks and Recreation (FCOA CAFR Code 28) Includes Maintenance of Parks, Administration of Recreation Programs, Community Centers as well as special community events and celebrations and other similar

USER FRIENDLY BUDGET SECTION

Education (FCOA CAFR Code 29) Library and other similar educational functions

Utilities (FCOA CAFR Code 31) includes all utility costs paid through the municipal budget - gas, electric, water, sewer, etc.

Statutory Expenses (FCOA CAFR Code 36) includes Pension, Social Security, Unemployment, and other related payroll taxes

Court/Public Defender (FCOA CAFR Code 43)

UFB-3 Structural Imbalances

Responsible budgeting involves not only spending restraint, but sound fiscal expectations. Relying on one-off gimmicks to balance budgets risks substantial shortfalls and is ultimately unsustainable. This sheet is the same as that in the standard municipal budget and will eventually be moved from the budget section

UFB-4 Tax Rates, Impact on Average Residential Property Tax Payer & Reserve for Uncollected Taxes

Residential taxpayers are often unclear about how their property taxes are broken down, as well as the impact that each type of tax levy has on their pocketbook. Here the various categories of property tax are broken down by tax rate, tax levy and the amount that the average residential taxpayer pays toward each.

The Reserve for Uncollected Taxes is a large appropriation required in each budget to account for taxes billed but not collected. Reasons why taxes are not collected as billed include taxes canceled because of appeals against assessed valuations and, of course, as a result of property owners who simply delay or completely neglect making their tax payments.

UFB-5 Assessed Property Valuations and Exempt Properties - Aggregate Values

UFB-6 Assessed Property Valuations and Exempt Properties - Exemptions/Abatements

Incentives provided under the Long Term Tax Exemption Law and the Five-Year Exemption and Abatement Law can be valuable tools for revitalizing areas in need of redevelopment or rehabilitation. Many of these incentives come in the form of Payments in Lieu of Taxes (PILOTs). However, taxpayers across New Jersey are demanding greater transparency on how property tax abatements and exemptions are awarded.

To effectuate the reporting requirements of NJSA 40A:5-48(b) and 40A:21-21, the User-Friendly Budget requires reporting a) a list of projects (i.e. properties) subject to the Long-Term Exemption Laws and the aggregate impact of the Five-Year Exemption Laws; b) the taxable value of those projects; c) the actual revenue generated from projects; and d) the amount of revenue that would have been generated if those projects were subject to full taxation.

UFB-7 Budgeted Personnel Costs

USER FRIENDLY BUDGET SECTION

UFB-8 Health Benefits, Detailed Cost Analysis

This section asks municipalities to compare their health benefit costs (either non-SHBP or SHBP) in the current year versus prior year. If actual premium payments are not paid i.e. self insured funds then the annual cost is based on the COBRA rate. This section analyzes aggregate health insurance costs for active employees, elected officials and retirees. Cost sharing contributions are also disclosed.

UFB-9 Outstanding Debt, Per Capita and Budget Impact

UFB-10 Shared Services Provided and Shared Services Received

Pursuant to NJSA 40A:5-48(b), the User-Friendly Budget must show the shared service agreements in which a local unit is participating. The proposed template combines shared services “provided” and “received,” for which each agreement must be entered with beginning and end dates, description of the service provided or received and the dollar amount paid or earned as a result of the agreement.

Is the Local Government required to comply with NJSA 11A **(Civil Service)** - YES or NO

Yes

Note - **Base Pay** is the annualized rate of pay to which overtime (if eligible) and/or pension is calculated. Either calculation is fine at the discretion of the Local Unit. Overtime and other compensation is any other item that is charged as a salary and wage expense but not included in Base Pay.

Note - **Pension** cost is based upon a estimated % applied against the employees' base pay for pension purposes. Per information provided on the Division of Pensions web site the April 2014 pension liability is calculated as follows; PERS is 12.16% of annualized salaries reported on the June of 2012 Report of contributions; PFRS is 24.85% of annualized salaries reported on the December 2011 Report of Contributions. For the purpose of estimating FY 2013 Pension Costs, these percentages will also be applied against Budgeted Base Pay for Pension purposes for the current fiscal year; FY 2013. For the DCRP the employer contribution is 3% of Base Pay. This total will not agree with the amount budgeted to pay the April 1, 2014 Pension Liability.
