- ✓ Lead Safe Work Practices Certification

Special Notes:

- *Applicants are not required to use contractors that appear on this list;*
- *Applicants may utilize any contractor they desire, provided the contractor is properly licensed, insured, and certified;*
- *Neither the City of Elizabeth, nor EHIP, endorses, recommends, or guarantees the quality of workmanship of any contractor included on this list;*
- *Neither the City of Elizabeth, nor EHIP, takes any responsibility for repairs performed by contractors, whether or not they appear on this list.*

Please read through the entire list carefully if you wish to choose a contractor appearing on this list. The order in which the contractors appear on this list cannot be taken as a recommendation by the City or EHIP of one contractor over another. The order in which the contractors appear on this list is changed monthly in order to be fair to the contractors and not to mislead applicants into believing that contractors at the top of the list have better workmanship than those at the bottom.

We hope this list proves helpful. If you have any questions, please contact us at:
